M2 Fusions & acquisitions

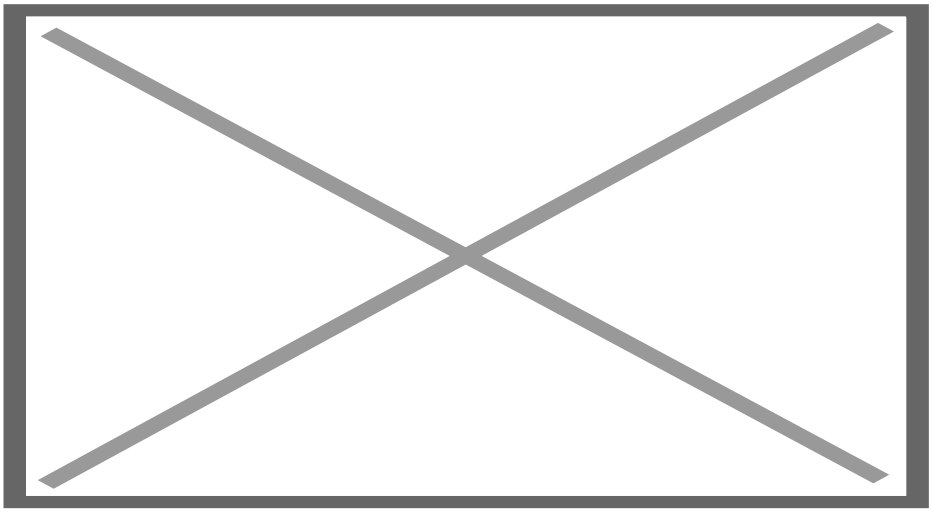

Master's degree
Specialisation Business Law
Enrolment type
Formation initiale
Formation continue
Language(s) of instruction
French

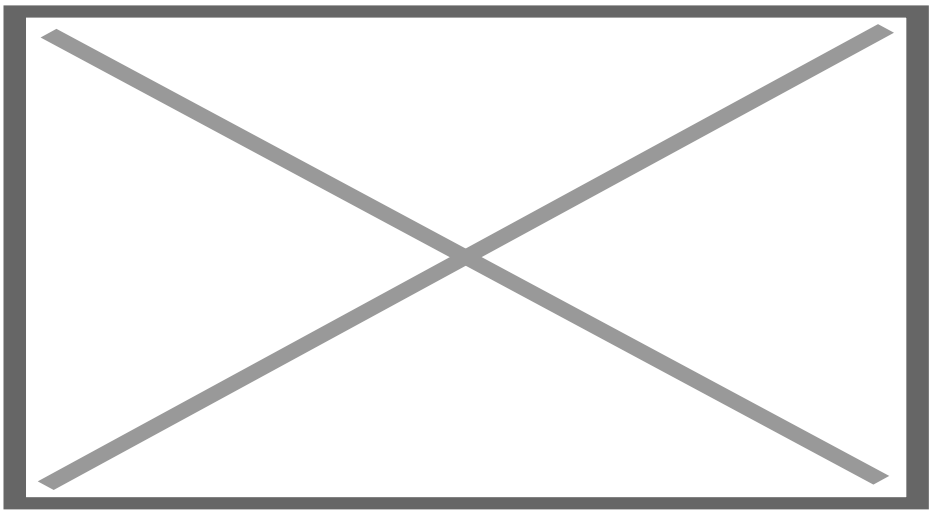

The Master 2 Mergers and Acquisitions programme trains lawyers to specialise in corporate growth and restructuring operations. It covers the legal, financial and strategic aspects of long-term financing operations. Students acquire in-depth knowledge of corporate law, contracts and taxation. This programme prepares students for careers in large law firms, legal or financial departments and investment banks.

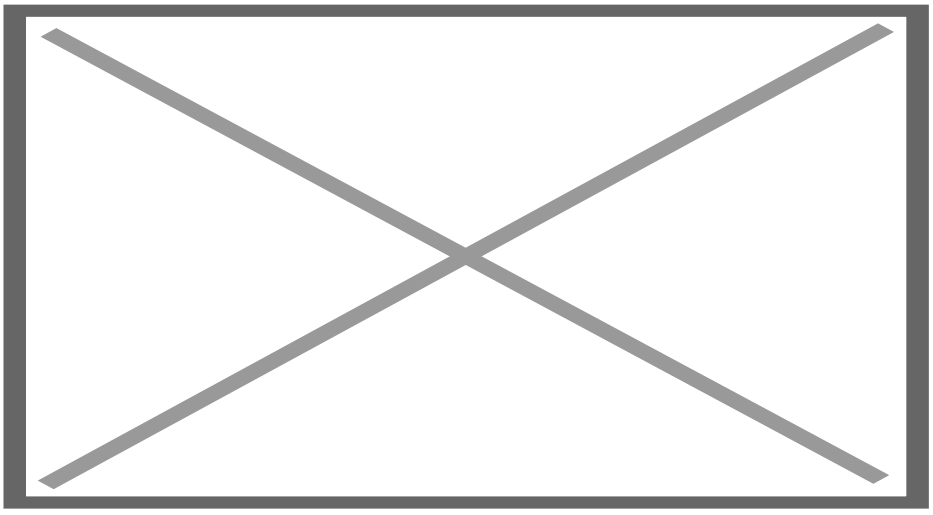

The Master's programme is organised into two semesters, allowing students to gradually specialise. A compulsory internship enables students to immerse themselves in their future professional practice.
